Objective

Seeking employment as a Production Sound Mixer

Experience

Practical Experience

- 4+ years experience in many aspects of production sound, including feature and short film; reality, serial, and studio/news television shows; as well as commercial, industrial, and web-based videos.
- Experience in ENG, EFP, and Studio environments, as well as an extensive background in Audio and Video post-production.
- Educational background in music production and documentary filmmaking

Technical Expertise

- Worked with a variety of small and large format analog and digital mixers and recorders, used both in studio and on location.
- Skilled in *Pro Tools*, *Ableton Live*, *Metacorder*, and *Boom Recorder*, as well as *Final Cut Pro* and *Avid* video editing systems.
- Double-System productions using recorders from *Zaxcom*, *Sound Devices*, *Fostex Aaton*, and *Nagra*, as well as Single-System shoots on cameras from *Panasonic*, *Sony*, *Canon*, *Ikegami* and *RED*. Experience with tape- and tape-less workflow.
- Owner of an ENG/documentary audio package containing equipment from *Lectrosonics*, *Sound Devices* and *Sennheiser*.
